

# LEAVERS DUAL MOUNTS

## Traditional Dual Leavers Groups

Our **NEW** leavers dual mount **PROOF PLAN** gives your parents a great choice of photographs.

Leavers groups are usually taken during the Spring term. At this time we can also photograph the pupils individually and have the two photographs mounted together. **A great memory for all to share!**

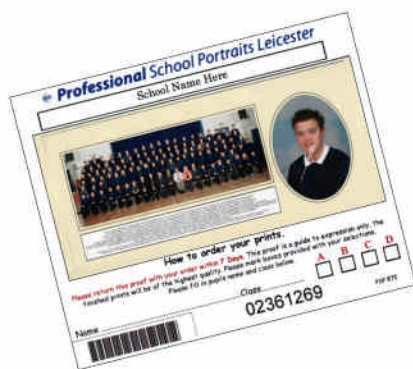

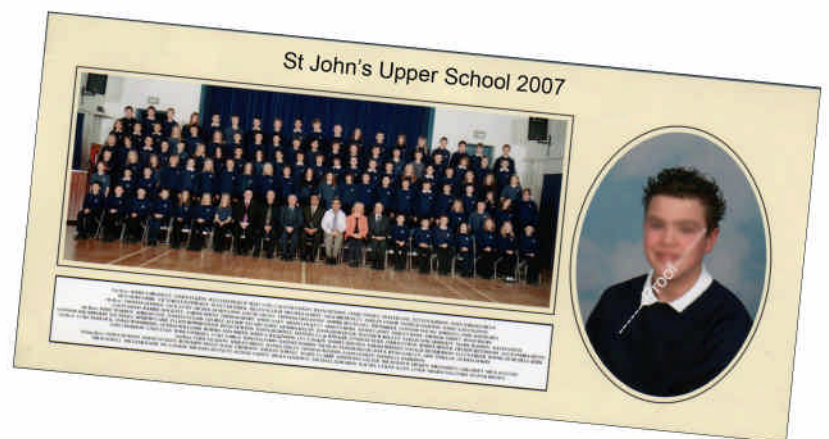

These dual mount Packs come with **four** choices:

- A: The complete pack, including the dual mount, 1 5x7 print, 2 5x4 prints and 8 mini-prints.
- B: The dual mount only.
- C: The group only.
- D: The portraits only, including 5x7 print, 2 5x4 prints and 8 mini-prints.

Dual mount packs come in three sizes

## Digital Dual Leavers Groups with names

Digital Dual Leavers groups and individuals are printed directly onto one sheet of photographic paper with the addition of a digital mount printed around them. These are available with or without pupils names at the bottom of the photograph.

The Digital Dual Packs have the same choices for your parents as the traditional Dual Packs!

Using the proof system has proved to be very popular in the past, considerably reducing the administration by school staff.

(The names need to be supplied to us at least 2 weeks prior to the photo day).
